697400 Near Point Flashing Fixation Set

Mr. Frog and Patch Cat Pediatric Fixation Light with magnets provide an easy to use flashing Fixation target for children in any practice office.

Mr. Frog and Patch Cat from The Adventures of Patch Cat and Strabismouse by J Snow, CO and Illustrated by Sheena Hisiro. He brings great fun either off or with his blinking LED's turned on. You can put his washer anywhere with the double sided tape provided then his magnet holds him up wherever you put him: on the wall, on an instrument like your retinoscope or your occluder. Just turn the back and his LED lights start flashing in a circular motion.

Set includes one each of Flashing Mr. Frog and Patch Cat Fixation Targets with 9mm magnetic disks for mounting on mini occluder with both ruler and pupilometer. Just twist to turn on/off.
