BVTPKIT1 Bernell VT Patient Kit

We are excited to introduce the Bernell VT Patient Kits! These kits were designed to offer a variety of essential vision therapy tools in an economical package and to act as a starter kit for offices to distribute to new patients starting a vision therapy program. Elevate your patient experience with the Bernell VT Patient Kit!

This vision therapy kit includes an expertly-curated selection of VT equipment that your patients can use at home to complement their in-office vision therapy. These kits come packed in a convenient carry tote bag with additional room so that practices may add additional items to the kit bags as their patients progress through therapy. Also included on each bag is a clear
