JUTRON Vision*enhancing vision ~ enriching life*

JLPOK Jazz LED Pocket Ophthalmoscope

Stylish Customisable Pocket Ophthalmoscope for Ward and GP use

Full diagnostic capacity in a compact instrument make the Pocket Ophthalmoscope ideal for the Practitioner on the move. An ideal choice for domiciliary and ward use or as a backup instrument.

Our stylish Jazz Ophthalmoscope will fit in any environment. You can change the colour of your set by adding coloured rings that can suit any mood.

Four beams for increased control over diagnostic functionality.

Additional blue filter that allows assessment of corneal scratches.

2.8V model accepts AA Batteries. Jazz Pocket Handle not compatible with other ophthalmoscopes.

Optical Excellence, Manufactured in the UK
