HSTIX+ HECostix

WHAT ARE HECOSTIX?

We've taken a simple game of playing catch and added a twist! Each leg is colored in a fashion that allows participants to call a color or hand combination and then throw the HECOSTIX to the receiver. The person receiving must process the information while the HECOSTIX are in the air and catch the corresponding color or hand combination called. Seems easy right?

CALL THE COLOR

THROW THE HECOSTIX
